## The AIG Advantage

### Specialized Underwriting and Risk Consulting

- Delivers customized energy property programs tailored to help protect against clients' complex, specific onshore or offshore industry risks
- Employs multidisciplinary property risk consultants with deep industry expertise
- Partners with clients to provide risk consulting recommendations supported by claims and underwriting teams and robust data and analytics

#### WHY IS THIS IMPORTANT?

AIG Energy's specialized underwriting and risk consulting capabilities provide flexible coverage solutions to address clients' specific and complex risks.

### Multinational Expertise and Captive Management

- Supports clients with one of the largest global networks in the industry, spanning 215+ countries and jurisdictions
- Works with clients to create fronting programs that enable clients to manage their risks through a client's own captive insurance or reinsurance company
- Offers clients the ability to "rent" a segregated cell within one of AIG's sponsored captive cell facilities domiciled in Vermont and Bermuda

#### WHY IS THIS IMPORTANT?

AIG Energy delivers service globally, with local expertise, enabling clients to address risks with insurance and/or captive alternatives.

### Proven Claims Expertise

- Upon property damage coverage confirmation, the **AIG Property Claims Promise** provides working funds of up to 50% of AIG's share of the agreed property damage estimate within 7 days
- Provides clients a supportive team of dedicated in-house claims professionals with an average experience of 20+ years
- Partners with clients to resolve claims in an efficient and effective manner, in accordance with the terms of the policy

#### WHY IS THIS IMPORTANT?

AIG Energy's dedicated claims team has the expertise to efficiently resolve claims, helping clients return to business as soon as possible.

**Deep in-house expertise**

**AIG Property Claims Promise**

**Global footprint with local knowledge**

## Why AIG

### Specialized Underwriting and Risk Consulting

**ISSUE:**

An energy client was struggling to address their cavern storage risk exposures.

**SOLUTION:**

After visiting the client's site, AIG Energy's risk consultants were able to provide a highly customized loss prevention plan addressing the client's unique exposure.

**BENEFIT:**

The client was able to address their exposure with the help of AIG's deep risk consulting knowledge and underwriting expertise.

**WHY IS THIS IMPORTANT?**

AIG develops customized, client-specific solutions supported by AIG Energy's Risk Consulting expertise.

### Multinational Expertise and Captive Management

**ISSUE:**

A mid-stream energy company was expanding internationally resulting in a need for a new energy insurer that could lead its property program, including multinational fronting.

**SOLUTION:**

AIG Energy provided a global property program structure consisting of primary coverage reinsured to the client's rent-a-captive cell reinsurer.

**BENEFIT:**

AIG's solution supported the client in finalizing their global expansion.

**WHY IS THIS IMPORTANT?**

AIG Energy's dedicated expertise provides holistic solutions domestically and around the world.

### Proven Claims Expertise

**ISSUE:**

A client suffered a catastrophic failure of a gas turbine generator.

**SOLUTION:**

AIG Energy claims professionals were on site the next morning and were able to determine that the loss would be a covered claim.

**BENEFIT:**

Due to AIG's Property Claims Promise, AIG was able to advance up to 50% of the agreed property damage loss estimate to support the funding to expedite the delivery of a new unit minimizing impairment to their operations.

**WHY IS THIS IMPORTANT?**

AIG's Energy claims team partners with clients to resolve claims quickly.

## What is AIG Energy Property?

- AIG provides brokers with specialized insurance solutions for their upstream, oil and petrochemical, chemical, power generation / renewables and mining clients' property insurance needs.
- Broad, flexible appetite; open to risks on a shared, layered or excess basis.

- Minimum premium of \$100k for onshore business and \$50K for offshore (oil rig) business.

FOR AGENT/BROKER USE ONLY. NOT FOR PUBLIC DISTRIBUTION OR SOLICITATION.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage.

AIG is a marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at [www.aig.com](http://www.aig.com). All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
